

Settecento 44 Bench Basin

FLSE44A, FLSE44A.01, FLSE44A.09, FLSE44A.11, FLSE44A.18, FLSE44A.22

The Settecento washbasin is inspired by the holy water fonts as are found in baroque churches and are normally made of marble. We fine-tuned thickness values and details and obtained an unprecedented three-dimensional effect in the ceramic material. This basin, of imposing size, becomes the protagonist of the bathroom environment both in the countertop version and in the free-standing version.
