

Twinset 525 Bench Basin

FL5050/A

The Twinset 525 Bench Basin completes the Twinset range by providing a circular bowl with a flat base. It provides an external glaze (excluding the top lip) which also allows for installation where the outer surface is visible. Note overflow is off centre.

Installation Instructions:

It is recommended that the basin be installed using a flexible sealant. Epoxy type glues must not be used. To do so may void product warranty. If the basin is not glazed at the rear, it is recommended that it be installed directly against the wall behind.
