

Twin Button Set on Metal Plate for PA111/PA121

PA241, PA242, PA2412.02, PA241.41, PA247, PA2415.50

The Pneumatic Twin Button Set on Metal Plate offers a tight-fitting and sturdy component. Premium feel as well as durability and vandal resistance can be applied when installed, ensured by the plates design. It also provides a special key unclip the plate from the mounting bracket. This enables access to service the concealed cistern components.
